25X1 6. [] Mrs. Bell, in the office of Representative James R. Grover, Jr. (R., N.Y.), called to request brochures and application forms for a constituent. The requested items were sent to her.

25X1 7. [] Mr. Sullivan, in the office of Senator Robert Dore (R., Kan.), reported that page M-12 of the 25 March 1971 [] and asked if we could look into it and send him whatever material he is missing.

25X1 8. [] Spoke with Robert Hull, Department of State, to determine, informally, their interest in joining us in "piggy-backing" on the Civil Service proposed legislation relating to cost of living adjustments on retirement. He said they would be interested in joining us.

25X1 9. [] Received a call from Mrs. Anne Peterson, in the office of Representative George H. Mahon (D., Texas), regarding a letter from a constituent, [] inquiring about employment possibilities with the [] I suggested that she forward the letter to this office and we would have our Personnel office take whatever action is necessary.

25X1 10. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, and gave him a copy of the Warren Unna 1968 article concerning alleged opium smuggling by Vice President Ky. I told him also that [] activity for the period October 1962 to 31 July 1964. Mr. Preston thanked me and said he would appreciate more on []

Mr. Preston also told me that he would like to schedule the morning of 13 April together with Mr. Bill Woodruff, Counsel, Senate Appropriations Committee, if he is available on that date, for briefing on the Agency budget proposal. I later talked to Mr. Woodruff who indicated that he will do his best to be in attendance at the briefing on the 13th. This has been cleared with Colonel White. Mr. John Clarke, OPPB, has been advised.

25X1 8. [] Met with Bill Woodruff, Counsel, Senate Appropriations Committee, and gave him a rundown on the Director's briefings of the Senate Foreign Relations Committee on 23 March and the Foreign Relations Subcommittee on Arms Control, International Law and Organization on 29 March. I also briefed him on a number of current intelligence items (see Memorandum for the Record).

25X1 9. [] Met with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and brought him up-to-date on a number of current intelligence items (see Memorandum for the Record).

I also talked to Braswell about Chairman Stennis' call to the Director asking that Jim Woolsey, of the Committee staff, be given access to certain intelligence publications and pointed out some of the problems involved in our doing this. Braswell said he appreciated these points, but indicated this matter had originated with Senator Stennis and he was not sure just what the Senator would be willing to accept. I had previously suggested alternatives like our verbal briefings, staff briefings which had previously been mentioned by Bill Woodruff and the provision of a secret version of these documents which did not contain all-source information. I told Braswell we were trying to work something out on this and would certainly be back in touch. Braswell again mentioned that Chairman Stennis is still smarting from the Secretary of Defense's refusal to provide the Chairman with a copy of Defense's five year plan.

25X1A 10. [] Accompanied [] to a briefing of Senator William Saxbe (R., Ohio) who is planning to leave Sunday for a trip which will include Vietnam and Laos as well as several stops in Europe. The briefing lasted about one hour and seemed to fully satisfy the Senator's needs. Colonel McGuire, of the Air Force, will serve as Senator Saxbe's escort officer and sat in on the briefing session.
